Advertiſement.

WHILE the Publiſher humbly ſubmits to the Conſideration of the Gentlemen of the Turf, the many Advantages which the RACING CALENDAR muſt have over any ſimilar Publication, in Conſequence of his being Keeper of the Match-Book at Newmarket; he would further obſerve, that the Intelligence of Races to Come, can be found in no other Work, except a Copy is taken from this, and obtruded upon the Public; and that whatever the pilfering Editor of another Work may advance to the Prejudice of the RACING CALENDAR, the Publiſher is happy in finding it ſtamped with the undoubted Approbation of the Gentlemen of the Turf—by the reſpectable Encreaſe of above Three Hundred Subſcribers, ſince laſt Year's Publication.

He begs leave to offer his warmeſt Acknowledgments to his Subſcribers, and aſſures them that nothing ſhall be wanting on his Part to merit the Continuance of their Favours.

To the CLERKS of COURSES.

AS many fatal Accidents happen by Riders being thrown or jammed againſt the Poſts, which are commonly ſquare, and much larger than neceſſary, it is earneſtly recommended to all Clerks of Courſes, where new Poſts are erected, to have them made round, of a light brittle Wood, not above three Inches in Diameter, and two Feet higher than uſual; and where the old ones are ſuffered to remain, to have the Edges taken off, and the bottom ſawed nearly through, ſo that they may fall with any ſtrong preſſure.

RULES for MATCHING and FIGHTING of COCKS in London, which have been in Practice ever ſince the Reign of King Charles II.

TO begin the ſame by fighting the lighteſt pair of cocks (which fall in match) firſt, proceeding upwards to the end; that every lighter pair may fight earlier than thoſe that are heavier.

IN matching (with relation to the battles) it is a rule always in London: That after the cocks of the main are weighed, the match bills are compared.

THAT every pair of dead, or equal weight, are ſeparated, and fight againſt others; provided that it appears that the main can be enlarged, by adding thereto either one battle or more thereby.

STALLIONS

To Cover in 1775.

N. B. *They are placed Alphabetically; except thoſe who are the Property of the ſame Perſon.*

ALBARAC will cover near Doncaſter, at 5gs a mare, and 5s. the groom, provided the Gentlemen in that country will ſubſcribe for 20 mares, otherwiſe he will not be ſent.

He is own brother to Pantaloon, 15 hands high, boney and very handſome, goes well on his legs, and was a good racer. He beat Circe and Maria very eaſy, ſince then he has been lame, but is now quite ſound, well, and free from blemiſh; he is a fine brown, was got by Match'em, his dam by Snap, &c.—If the above propoſal is approved of, ſubſcriptions will be received by Mr. Wildman, in Red-Lion-Street, Clerkenwell, London, 'till the laſt day of January, 1775.

TARTAR will cover at Mr. Wildman's, at Leatherhead, near Epſom, in Surry, at 10gs a mare, and 5s. the groom. He is 15 hands high, and one of the ſtrongeſt bred horſes in England; he is a fine bay, and a ſure foal-getter; he was got by Tartar, his dam by Old Cade, his grandam by Bartlet's

Bartlet's Childers, which was called the Little Hartley mare. She was the dam of Blank, &c.

SNAP will alſo cover at Leatherhead aforeſaid, at 2gs a mare. He is a fine brown, maſter of 16ſt. and goes well on his legs; 16 hands high, and gets very boney ſtock. He was got by Old Snap, his dam by Regulus, &c.; he is own brother to Hyæna, &c. &c. &c.

N. B. Mr. Wildman hopes nobody will take amiſs his refuſing to deliver the mares 'till they are paid for.

To be diſpoſed of, the LEASE, whereof 15 years were unexpired at Michaelmas laſt, of a Compact Farm, with good dwelling-houſe and gardens, barns, ſtabling for 60 horſes, 220 acres of arable, meadow, and paſture land, all in good condition, ſituated in the pariſh of Leatherhead, in the county of Surry, 20 miles from London. For further particulars, enquire of Mr. Wildman as above.—All, or any part of his ſtud of horſes to be ſold.

ALMANZAR, that well bred horſe, riſing 8 years old this graſs, is brother to Neſtor, was bred by Mr. Salt, and will cover this ſeaſon at the Cock, at Sutton, in Surry, at 3gs a mare, and a crown the ſervant.

Almanzar was got by Badſticks, ſon of Bumper, ſon of Old Partner, ſon of Jigg, ſon of the Byerly Turk. Badſtick's dam was got by Mr. Fleetwood's Foxhunter; his grandam by Mr. Williams's Almanzar, which was got by Darly's Arabian; his great grandam by Makeleſs, ſon of the Oglethorpe Arabian; his great great grandam by Brimmer, ſon of the Darcy Yelley Turk, out of a mare bred by Mr. Curwen, of Workington, in Cumberland, and got by his famous Bay Barb. Bumper's dam was got by Bay Bolton; his granddam by Commoner; his great grandam by Reſtive, out of the Lonſdale natural Barb mare.

Almanzar

Almanzar was out of Sappho, got by Regulus, out of Lodge's roan mare; got by Partner, out of Old Mixbury's ſiſter, got by Jigg; her grandam by Dale's horſe, bred by Lord Cardigan, out of a full ſiſter to Leeds, and got by the Duke of Richmond's Turk; her great grandam by Why-not, that was got by the Fearnought Barb; her great great grandam by Wilkinſon's Bay Arabian, out of a Natural Barb mare, bought of Lord Arlington.

Almanzar was a horſe of great reſolution and ſpeed; his juſt way of going was by all judges much admired, and being a great horſe, was of his two fore-legs at 3 years old broke down in training, owing to his being trained ſo young; yet in that ſtate he afterwards won a 50l. plate at Brentwood, which ſo let him down, that he was never trained afterwards.

Given under my hand, the 24th December, 1774.

FRA. SALT.

N. B. Any mare having won a 50l. plate, will be covered gratis.

BANDY, ſee page 338.

BELFORD, at Mr. Wright's at Bolton, near Catterick and Richmond, Yorkſhire, at 10gs a mare, and 5s. the groom.

Belford was got by Old Cade, his dam by Bartlet's Childers, which mare was own ſiſter to the grandam of Fribble, Snapdragon, Curioſity, Angelica, and Roſamond.

Belford is the ſire of Imogen, who won ſeveral times; alſo of a colt which won a Sweepſtakes at Wakefield Lawn; alſo of Lord Groſvenor's colt Stephano,

Stephano, who won the three year old Plate at Newmarket, in the 1ſt October Meeting, 1773, when 17 ſtarted; and a Match againſt the Duke of Ancaſter's Corydon, for 500gs in the Houghton Meeting; and, in the Firſt Spring Meeting, 1774, won the 25gs Subſcription, beating the Duke of Grafton's Labyrinth, by Squirrel, and three others. Labyrinth won the 25 hundred in the ſame meeting, beating Hotſpur, Comus, Jerker, Old Scratch, and nine others; in Auguſt laſt, Stephano won a 300gs Subſcription at Shrewſbury, and, in September, the four-year old Plate at Cheſter.

Belford has had very few mares, 'till laſt ſeaſon, and only five of his get have been trained.

Good graſs and proper care taken. The money to be paid before the mares are taken away.

Mr. Wright and Mr. Watſon of Ellerton, (whoſe conveniencies are allowed to be as good as any in the kingdom), have undertaken the care of the mares.

BOSPHORUS, at Epſom, at 5gs a mare, and 5s. the ſervant. There will be good hay, graſs, &c. and proper care. The money to be paid before the mares are taken away.

The public may be aſſured, that no horſe of his merit ever had ſo bad a chance of getting a racer, not being in the hands of either breeders or ſportſmen, has never had the dam of any capital runner; notwithſtanding he has produced as under, Young Boſs; afterwards Warwickſhire Wag, which was the firſt of his get that was trained, won five 50l. plates at 4 years old, and received a forfeit from Hyder Alley; at 5 years old, he won a match at Newmarket, a 50l. at Baſingſtoke, and the King's Plate at Burford, and has run well ſince; the D. of Bolton's Choſe, which won laſt year at Baſinſtoke and Reading, and this year at Wincheſter, and has not ſtarted ſince; Mr. Strode's Colt,

which was ſecond to Pumpkin for the Great Stakes at Burford, beating Firetail, Grecian, Rarity, &c. then ſold to Mr. Walker; and was alſo ſecond for a Sweepſtakes at York, though much out of condition; and won 100gs after at Lincoln, and has never been well ſince, or would, according to all appearance, have been a very capital racer; Mr. Parker's Elfrida, which won a Sweepſtakes and a Cup at Blandford laſt year, and two 50l. plates this year at Bodmin, which are all the times ſhe has ſtarted, and now ſtands matched with Mr. Vernon's Telemachus, for a 1000gs; Mr. Tilbury's Miſs Faigent, which won laſt year at Odiham, and has run well ſince; the D. of Richmond's Dardanelles, which won at Lewes, and ſeveral others which have won 50l. plates ſince, &c.

All the above, and moſt that have been trained of his get, are full as good, and ſome much ſuperior to any their dams ever produced by any other horſe, which makes it clear of all doubt, if he had a ſufficient number of mares, and of equal goodneſs, would get as many good racers as any of the preſent ſtallions; as he was well known to be as good, if not the beſt racer of his time, both with high and low weights. He is upwards of 15 hands high, well proportioned, very healthy, and a ſure foal-getter.

N. B. There is now ſome of his get, which are uſed as Hunters, and are thought to be as good as any in the kingdom; ſo that any Nobleman or Gentleman, ſending a mare to him, will have a right to have as great expectations from her, as though ſhe had been covered by any of the more faſhionable ſtallions.

Henricus was not known to have three good mares, or more than three of his get trained; one of which is Proſerpine, which ſtarted for but 8 plates, and won 6 of them, giving weight to different ages; one of the others won a ſweepſtakes and two plates; ſo that without partiality or prejudice, he ſhould have preference of numbers that cover at 20gs, or more. Henricus ſhall cover any mare that has won two 50l. plates, for only the fee to the groom, or any that may have bred a horſe or mare that have won two plates.

At

At Caulk, near Derby, at 15gs a mare, and 10s. 6d. the groom,

JASON, (late GOLDEN FLEECE)

He was got by Snap; his dam (Maria Careleſs) by Regulus; his grand dam, by the Cullen Arabian; his great grand dam, (the dam of Careleſs, Sportſman, and Fear-nought), by Heneage's Whitehoſe; his great great grand dam, by Raffle; his great great great grand dam, by Sir Thomas Greſſing's Arabian, out of Vixen. Vixen was out of Dodſworth's dam, by the Helmſley Turk.

Alſo at the ſame place, at 5gs a mare, and 5s. the groom, that noted brown horſe,

DRAGON, late Mr. Warren's;

He was bred by him, and got by Old Regulus, ſire of Careleſs, and many other capital runners, as alſo of the dam of Eclipſe, &c. his dam by Lord Cullen's Arabian, ſire of Mr. Williams's Old Muſcoe, and Mr. Warren's Camillus, who beat Mr. Fenwick's famous mare, Dutcheſs, for the King's Plate at Litchfield; his grand dam was the dam of Careleſs, Sportſman, and Fear-nought.

Mr. Croſs's Golden Fleece is out of an own ſiſter to Dragon. The Duke of Kingſton's Crony, and Sir Charles Sedley's Regulator, are both got by Careleſs out of Cullen mares; their blood is therefore centered in Dragon, he being own brother to Careleſs, with the additional croſs of the Cullen Arabian.

Dragon is ſire of Junius, who won ſeveral plates at 4 yrs old, and who, in 1771, won the 5 yrs old plate at Cheſter, and the aged plate at Nottingham, beat Sir Charles Sedley's Grayling; he is alſo ſire of Mr. Gordon's mare Sting'em, who won the 4 year old plate at Derby, and (though lame) beat Mr. Barry's Raggamuffin, the laſt heat at Cheſter, 1771; he is alſo ſire of Mr. Wooley's Why-not,

Why-not, who won at Worceſter and Shrewſbury, beating Flimnap; and of Mr. Stevenſon's 4 year old mare, who won at Cheſter and Knutsford; and of Mr. Malkin's Rutland who won at Derby. As Dragon has produced many good runners, though he never had five bred mares in one year, and is nearly allied to many capital ones, much may be reaſonably expected from him as a ſtallion, for the turf; many of his get from their bone, ſize and faſhion, have been ſold at high prices for hunters out of common mares.

N. B. Good graſs for mares, and proper care taken of them, and the money to be paid before the mares are taken away.

At Mr. Percival's at Croydon, Surry, at 2gs a mare, and 2s. 6d. the groom,

JOLLY ROGER, that fine, well ſhaped, high bred, powerful bay horſe, bred by Sir James Lowther, and got by the Gower ſtallion, a well bred ſon of the Godolphin Arabian, whoſe dam was got by Whitefoot, his grandam was the little Hartley mare, and the dam of Blank, Shakeſpeare and Trimmer. Roger's dam was Mr. Harvey's Flying Mare, who beat Primroſe, and deemed the beſt mare in the world of her year; ſhe was got by Cartouch, and her dam by the Godolphin Arabian.

N. B. Good graſs for mares, and all due care taken of them.

Alſo, at the ſame place,

The JILFY ARABIAN, at 5gs a mare, and half-a-crown the groom. This horſe is very boney and ſtrong, and gets very fine ſtock.

JULIUS CÆSAR, ſee page 345.

KING HEROD, at Netherhall, near Bury, Suffolk, at 25gs a mare, and 10s. the groom. The money to be paid at Netherhall aforeſaid, at the time of taking away the mares, or previous

thereto, into the hands of Meſſrs. Drummonds, Charing-Croſs; or J. Weatherby, Newmarket, whoſe receipts, in caſe of payment to them, muſt be produced by the perſons ſent for the mares, otherwiſe they will not be delivered on any pretence whatſoever.

Good graſs and hay at 5s. per week.

At Milford, near Tadcaſter, Yorkſhire, at 5gs a mare, and a crown the ſervant,

LOFTY, that fine bay horſe, late the property of the Hon. Morgan Vane. He was got by the Godolphin Arabian, his dam by Partner, and called the Widdrington mare. She was likewiſe the dam of Mr. Shepherd's ſtallion Crab. Lofty's grandam was got by Bloody Buttocks, and was own ſiſter to the dam of Mr. Shafto's Squirrel.

Alſo, at the ſame place, at 10gs a mare, and a crown the ſervant, the fine bay horſe

WILDAIR, when in training the property of Mr. Shafto and Mr. Swinburn. He was got by Old Cade, his dam by Steady, a ſon of the Duke of Devonſhire's Childers, his grandam by Partner, and very well bred after. Nothing of his get have ever ſtarted in England, as the laſt year was the firſt of his covering here.

"I DO certify, that Wildair is the ſire of my mare Angelica, that won the 4 yrs old plate at Philadelphia in 1770, and won the ſubſcription at the ſame place. Alſo of my horſe Baſhaw, that won the Macaroni 100gs at our Newmarket in 1772, though lame. Alſo of my gelding Poppet, that won the 4 yrs old plate at Mowlas-Hook the ſame year, and of Mr. Sims's Wildair, that has won four or five plates in Maryland laſt year and the year before. Prepared and ſold by William Radley, Druggiſt and Chymiſt, No. 27, near Gray's-Inn Gate, Holborn.

THE Purging Balls contain, in a ſmall compaſs, all the eſſential qualities of a ſtomachic purge; they do not cloy a horſe's ſtomach as moſt other purges do; but without the leaſt griping, ſcour a horſe well, and make him ſtale plentifully. Horſes after being badly or irregularly fed, or coming from graſs into ſtable, are apt, on change of diet, to have humours flying about them, which ſettling on the lungs, legs, or blood-veſſels, cauſe either an obſtinate cough, greaſe, or farcy, which might be prevented by a few doſes of phyſic, and therefore highly neceſſary for horſes newly purchaſed. Price Two Shillings each parcel, containing three doſes.

Diuretic Balls, 2s. a pot, which will effectually cure the greaſe, and are likewiſe ſucceſsful in defluxions of the eyes, and moſt other humours that fly about a horſe.

Cordial Saffron Balls, 3s. a pot, to be given when a horſe is faint or fatigued, before ſtarting on the courſe, or on a long journey.

Worm Powders for deſtroying all kind of worms, 5s. per dozen.

Pectoral Powders for coughs and epidemical colds, 2s. a parcel.

Fever Powders, 3s. a parcel.

EX-

EXTRACT of SATURN:

A REMEDY for Various DISORDERS incident to the HUMAN SPECIES:

As well as for thoſe of HORSES, HOUNDS, and SPORTING DOGS.

THE repeated Experience of Thouſands, having proved the efficacy of the Extract of Saturn againſt all inflammations, whether external or internal, as well as a variety of other diſorders which are particularly pointed out in Goulard's Treatiſe upon Lead, as well as in Dr. Arnaud's Diſſertation upon the Uſe of the Extract, (both to be had of Mrs. Turmeau, in Church-ſtreet, St. Ann's, Soho) it may very juſtly be pronounced to be a Remedy which ſhould be kept in all numerous families, as by its aſſiſtance they may cure many, and often prevent ſtill greater diſorders.

Such who are fond of horſes cannot employ a more ſafe, ſpeedy, and infallible remedy to cure the ſprains and bruiſes which are apt to befal that noble and uſeful creature. Colonel Matthews, in May 1773, cured his favourite horſe, (which had been bit in the belly by a ſerpent) when he was near expiring, by applying ſome Vegeto-mineral Water made of the Extract of Saturn, in poultices and fomentations, to the part.

The Vegeto-mineral Water, made of the Extract of Saturn, has likewiſe been found to cure the ſprains, bruiſes, and other accidents to which Hounds, and other Sporting Dogs, are liable, through their eagerneſs in the purſuit of game; it is therefore earneſtly recommended to Sportſmen, and thoſe Gentlemen who are fond of the diverſions of the field.

The Vegeto-mineral Water, Goulard's Pomatums for the Human as well as Brute ſpecies, and the Extract of Saturn, together with other Remedies revived and brought to perfection by the late Dr. Arnaud, which, though very well known, and more

efficacious and leſs expenſive than others, have long been diſuſed, for want of being properly compounded, continue to be prepared and ſold only by Mrs. TURMEAU, ſole Succeſſor to the late Dr. ARNAUD, who is the Only Perſon authoriſed in Great Britain, by a writing under Mr. Goulard's hand, bearing date the 20th of March laſt, to be the Vender of his Genuine Extract of Saturn, and the Vegeto-mineral Water; and they are to be had, by authority of Mr. Goulard, of her only, at the late Dr. Arnaud's houſe, in Church-ſtreet, St. Ann's, Soho. Her name is on a braſs plate on the door; and the houſe is ſituated between Frith-ſtreet and Greek-ſtreet, the fourth door on the ſouth ſide, oppoſite to St. Ann's Coffee-houſe.

Mrs. Turmeau was engaged with Dr. Arnaud as partner in his life-time, and continued with him as ſuch till his deceaſe; and was the only perſon inſtructed by him, and intruſted with his affairs.

To the NOBILITY, GENTRY, of Real Fortune, &c.

THE gentleman who tranſmits this addreſs ſtands in that predicament with reſpect to pecuniary connections that he can, on a few days notice, ſupply the demands of ſuch Noblemen or Gentlemen as have urgent or temporary occaſions for the loan of any ſum of money.

The futile profeſſions and unprincipled conduct of the generality of thoſe who adverti ſe for this purpoſe; the certain delays and probable expoſure attending applications to them, are ſo many reaſons for not purſuing a method, in the adoption of which ſo much chicanery is practiſed.

The author of THIS addreſs, meaning to follow the dictates of probity, ſcorns to avail himſelf of the arts of deception: he has already negotiated pecuniary matters to a very large amount with ſome of the moſt diſtinguiſhed perſonages in this kingdom; and,

and, he pledges himſelf to execute the orders of thoſe gentlemen who announce their commands, with that ſecrecy, diſpatch, fidelity, and circumſpection, as may convince his employers that he feels too much for the preſervation of his own, to triffle with or betray, the Honour of another man.

*** Applications from principles only by letter, or a perſonal interview, will be attended to by the author, at No. 82. Newman-ſtreet, Oxford-Road.

NEW EDITIONS of the following uſeful little Tracts are juſt publiſhed, by JOHN BELL, near Exeter-'Change in the Strand.

TEN MINUTES ADVICE to every GENTLEMAN going to purchaſe a Horſe out of a dealer, jockey, or groom's ſtables; in which are laid down eſtabliſhed rules for diſcovering the perfections and blemiſhes of that noble animal. Price 1 s.

The GENTLEMAN's POCKET FARRIER, ſhewing how to uſe your horſe on a journey; and what remedies are proper for common accidents that may befal him on the road. Price 1 s.

This little Tract has been in great eſtimation for 50 years paſt, and has gone through many editions in Ireland. The remedies it preſcribes are ſimple, and eaſily to be obtained, and never fail of a cure, where the diſorder is cureable. And no man who values his horſe ſhould preſume to travel without it.

FENCING FAMILIARIZED; or, A new Treatiſe on the ART OF SWORD PLAY. Illuſtrated by elegant engravings, repreſenting all the different attitudes on which the principles and grace of the art depends; painted from life, and executed in a moſt elegant and maſterly manner. By Mr. OLIVIER, educated at the Royal Academy at Paris, and Profeſſor of Fencing in London. Price 6 s. in boards.

By his Majeſty's Royal Letters Patent.

The Genuine POUDRE UNIQUE,

Is appointed by the PROPRIETOR, the CHEVALIER DE MOUCHET to be ſold at A. GRANT's, Stationer, Bridges-Street, Covent-Garden; and no where elſe in London.

OF all the Medicines which have yet appeared in this Country, the POUDRE UNIQUE ſtands perhaps unrivalled in Point of the Variety, Singular and Surpriſing CURES which it has effected, and of the very honourable Teſtimonies which have been publicly given in its favour, by ſome of the moſt diſtinguiſhed Characters, not in England only, but throughout Europe. For a particular Account of theſe, as well as for its Specific Virtues in the RHEUMATISM, AGUE, the KING's EVIL, JAUNDICE, SCURVY, ULCERS, PUTRID SORE THROAT, VENEREAL DISEASE in its worſt State, &c. &c. and every Diſorder which proceeds from a corrupted State of the Blood, the Public are reſpectfully deſired to peruſe the Pamphlet, which contains, among a Number of Atteſtations and Certificates, a Liſt of above TWO HUNDRED Extraordinary Cures, performed by this invaluable Medicine in the above cruel Diſorders; and which is Publiſhed this Day by A. GRANT, as above, and may be had of all the Bookſellers in Town and Country.
